

Laton Lions Club
2022 Citizen of the Year
Tammy Pilcher

Tammy Pilcher was born in Merced, CA on June 1, 1969 to Larry and Betty Pilcher. After graduating from Chowchilla High School in 1987 an awarded high school career in the Future Farmers of America. After graduation, Tammy continued to stay involved in Agriculture while pursuing her college education and majoring in Agriculture Education from California State University, Fresno.

In 1998, Tammy began her career with the Laton Unified School District as a single person department. During her tenure at Laton High School, Tammy has grown the department to include three agriculture instructors and a membership that boosts more than 90% of the students at Laton High School. Facilities and student opportunities have grown as well throughout her tenure. Students have flourished and gained State and National recognition and have earned many state titles.

Tammy has served the community of Laton in many ways including as an FFA Advisor to the Future Farmers of America where she has coordinated the FFA annual Canned Food Drive, Selling Kids Day Newspapers for Valley Children's Hospital, helping with the food booths at the Laton Lions Rodeo and setting out crosses and American Flags during Memorial Day at the Oak Grove Cemetery

The Laton Lions Club would like to thank Tammy Pilcher for her many years of dedication to the Laton Community.
